Now that we've settled our contract, we need to look at a dues increase to make up the difference. 8. Dean Correa moved financial aid officers out of their offices after they spoke out at a board meeting about the lack of privacy in that building. Admin is talking about going to a new model of no fin. aid. counselors. Maria Pena was dismissed 2 days before the start of the semester. There was an outcry and they backed off from that, offering her a 6 month contract.
