

#OurCityCollege

Campaign Demands:

1. Stop the **dangerous proposal** to arm the CCSF campus police with firearms!
2. Re-grow CCSF, fully fund all student resources and programs, and end the **disastrous 26% downsizing plan!**
3. Make CCSF a **true sanctuary campus**, and ensure that the Free City College program and all student services apply equitably to all undocumented people, regardless of their AB540/DACA eligibility!
4. Defend and restore CCSF's **ethnic and diversity studies** programs!
5. End the **privatization of public land**, and keep the Balboa Reservoir (lower level parking lot) out of corporate hands!
6. **Divest** from the Wells Fargo bank, and seek ethical investments that better reflect CCSF's community values!

*Come engage in the struggle for CCSF and SF
at the **#OurCityCollege Mobilization Teach-In:**
March 22, 12-2PM, MUB 370 (Ocean Campus)!*

Free food will be offered!
