Political and Community Organizing

2. Free City update: we are completing our agreement for continuing funding for the next 10 years. We are setting an example for the rest of the country.
3. CHEF update: we have a proposal in its infancy called the Community Higher Education Fund. We want to increase funding for CCSF from the City of SF budget, just as they do at SFUSD. A group will be meeting every 3rd Thursday at noon at Civic Center to work on this proposal. We'd like you to participate.
4. We've had some interest from the office of Immigrant affairs to directly fund some of our ESL classes. There's a meeting coming up on 9/25.
5. Mobilization for Chesa Boudin 11-3 Sunday 9/29: We are very excited to have someone running for the prosecutors' office who is progressive and really understands how to reduce mass incarceration, and lead the way for the rest of the country.
6. Mobilization for Dean Preston 10-1 Sunday 10/6
7. Approval of COPE minutes from 8/23/2019 and 8/27/2019 (7/29/2019) (tabled)

8. Student assembly (Marcos Cruz and Win Mon Kyi). The Student Assembly is a project that is working to address the problem of student representation on campus and promote democracy and build power for students' voice. They've been mobilizing students in support of Free City and other initiatives. This student group would like to work with reps to present to classes about the Student Assembly, to gather contacts and share information about filling seats on Associated Students and on PGC (Participatory Governance Committees). They asked reps to sign up for classroom visits and/or present about their organization and goals. Presentations are 5-15 minutes.

Member Organizing/Precinct Rep Training

9. Membership numbers – we are at 89% membership

10. Rep Training: How to 'triage' a member's issue, question or problem. How to figure out where to find the right information, and how to move the issue forward. We reviewed assignment rights and modal load, as well as looking through the contract.

11. Admin Salaries & mobilization for 9/19 –In the midst of these terrible reductions and cuts, our admin under chancellor Rocha have given themselves huge raises. We are asking for people to come out in red t-shirts (Chinatown room 402) in support. Reps make outreach calls to their precincts.
12. Presentation by Brenna Stroud of HEAT – Higher Education Action Team, a group of students, community and faculty fighting for our college.
