

# WANTED:

## Great Teachers

- ✓ Lower salaries & benefits
  - ✓ Less job security

Send applications to:  
**Archdiocese of San Francisco**

**T**HE ARCHDIOCESE WANTS our schools to be competitive. Yet under its latest proposal to our Union, our members would have lower salaries and weaker job protections than the vast majority of teachers in our area. If our schools want to compete, they must start by offering competitive salaries, benefits, and job security rights.

**Join together with teachers from all four schools to demand a fair contract! Wear red.**
