

Dayna Holz

I'm so honored to run with the Union Power Slate! Our union has had a lot to do with what makes CCSF special to our students and community, and I'm proud to be an active member. We're heading into uncertain times, and the Union Power Slate is the team I trust to work together respectfully and thoughtfully to fight for what we need at CCSF: secure funding, a good contract, community not junior college, diverse faculty, and to celebrate our union and unity. Thanks to our members for staying engaged!
