Because the IRS recommends documentation of reimbursed officers' expenses to avoid challenges, which could result in losing tax-exempt status, all expense reimbursement requests should be accompanied by approved reimbursement forms noting date, purpose, and receipts, if appropriate.

Supplies and equipment shall be purchased through the AFT office, not through expense reimbursement. Any individual-supply expense exceeding \$300 shall require pre-approval, unless expressly included in the Local's annual budget.

3.1 Expenses will be reimbursed in accordance with the following:

3.1.1 When expenses are incurred as required for carrying out Union business, including education of members.

3.1.2 When expenses are itemized and receipts are attached to the expense form, as appropriate. Mileage will be reimbursed at the approved IRS rate when the reason for the travel has been included in the itemization. Reimbursement for meals requires a receipt and, if a guest or guests were included, the reason for the meal.

3.1.3 Expense forms are to be submitted to the Union office within 90 days from date expense was incurred, and will be paid within thirty (30) days of receipt of the expense form.

3.1.4 Requests submitted after the close of the fiscal year will require Executive Board approval and will be contingent upon available funds. Expense reimbursements will not be considered for reimbursement if they are older than one fiscal year. The exception to this policy is years prior to 2018-19, which will be considered until July 1, 2020.

3.1.5 There shall be three AFT 2121 credit cards, one for the AFT 2121 President, one for Administrative use, and one for the Executive Director.

3.1.5.1 The office credit card shall be used for all Executive Board-related expenses not paid for by the AFT 2121 President on their credit card. Examples include travel-related expenses for members to authorized meetings, conventions and conferences.

3.1.5.2 The same rules apply to the AFT 2121 credit card expenses as apply to individual officer expenses noted above, e.g. receipts and explanations, where necessary, are required to document all expenses.

3.1.5.3 Every expenditure on the monthly AFT 2121/ Individual credit card statements that are not justified as union business on a submitted receipt (see 3.3.1.5.2), will be considered a personal (not business) expense and the expense shall be recorded as wages and will be taxed accordingly.

G. CFT Convention Delegates: Election/ Funding/ Reimbursement Policies (Adopted 2/12/19):

1. Nominations will be put forth for CFT Convention Delegates at the DA at least 8 weeks prior to the first day of the annual CFT convention. AFT 2121 Staff will contact nominees to confirm acceptance/refusal. Nominees who do not respond are assumed to be unable or unwilling to stand for election.
2. If between [number of delegates AFT 2121 executive board decides to fund] and [maximum number of voting delegates as designated by CFT] accept their nominations, a ballot box election will determine who is funded.
3. Delegates must book flights & send confirmation to VP by 4 weeks prior to first day of Convention.
