

My name is Erik Greenfrost (pronouns flexible), a Faculty member in the CCSF English Department. I've been a rank-and-file member of AFT 2121 and recently part of the Budget Committee, but I have a longer history with teachers' Unions through UAW 2865 – the UC Student-Workers Union. I served on their Executive Board from 2013-2017, first as a Trustee and then as the Financial Secretary. There I assisted with the day to day operations, including creating and reviewing the budget, generating and updating policies and procedures, and supporting statewide staff and hiring.
