

Barbara Knox has been active in unions for 13 years, formerly serving on the Oakland Education Association bargaining team for adult educators and working in coalition with community organizations to safeguard ESL programs. An ESL instructor at CCSF since 2012, she has collaborated with DSPS and Culinary Arts at Chinatown, Downtown, Mission and Ocean. On the Executive Board, she'll work to represent the interests of part-timers, by fighting for compensation for supported instruction, professional development and other extra work. She will also work with other CCSF unions, to strengthen our union and maintain a diverse community college system.
