

**We Need a Charter Amendment
(We Wish You a Merry Christmas)**

We need a charter amendment x3
To keep City Free

For San Franciscans education should be
Free at City College for you and for me.

We only need \$15 million x3
To keep City Free

For San Franciscans education should be
Free at City College for you and for me.

We know that we're third from bottom x3
In set aside monies

And the shortest duration, you see
Funding education must be guaranteed

We need a charter amendment x3
to keep City Free

**Keep Our City College Free for all Today
(Dreidel, Dreidel, Dreidel)**

Our students need Free City
To get them on their way

And help them plan their future
Without any delays

Keep our City College
Free for all today

This charter amendment
Will help our students stay

**Free Education is What We Need
(Joy to the World)**

Free education is what we need
Defend democracy
Let every mind
Attend a class and find
This helps us to fight Trump x2
This helps the resistance to fight Trump!

Every mind that is set free
Strengthens democracy
Come back to school and find
You can resist it's time
This helps us to fight Trump x2
This helps the resistance to fight Trump!

We all know that with the feds
We are being mislead
And so we come to you
Our supervisors who
Will help us to fight Trump x2
Will help the resistance to fight Trump!
