

SF Labor Council Delegate

Statement

Galina Gerasimova

The SF Labor Council (SFLC) plays a very important role in the fight for economic rights and justice. It has been an honor to be an elected delegate and represent our college in building workers power through union and community organizing, political education and actions, and working together with other SFLC delegates to improve working conditions and safety for all workers. It would be an honor to be able to continue representing AFT Local 2121, especially during the current pandemic situation, and continuing the fight against budget cuts and the downsizing of CCSF.
