

Jenny Worley:

I am proudly running with the **Union Power Slate** and strongly support **Malaika Finkelstein** to succeed me as AFT 2121 President. Malaika has fought tirelessly for our members for 6+ years as our Chief Grievance Officer and key contract negotiator. In addition, she has assembled the Union Power slate, an experienced team whose past accomplishments include Prop A, Free City, a successful strike, and 12-19% faculty raises. Our slate commits to working with Malaika to:

- **Win a strong contract in 2021**
- **Pass CHEF and Schools and Communities First to fully fund City College**
- **Stop cuts to classes and rebuild our enrollment**
