This is part of our platform

1. We demand NO MORE CLASS CUTS. We will fight for a Union Contract that move us towards equal pay for equal work. We will work towards achieving 100% pro-rata. We will fight for increases in pay for those full-timers in the lower steps. We want full Health Insurance for Part-Time Faculty from the moment they are hired. We will fight for full Retiree Health benefits for both Full-Time and Part-Time Faculty. We will work with our Retiree Chapter.
2. We will fight for the removal once and for all of the Workload Caps. Part-Timers shall not be barred from working full-time by the imposition of workload limits.
3. We want full transparency meaning that any decision or action by those in leadership will be disclosed to all members as soon as possible.
