

**Yvonne Webb**

Since 2001, I have taught at CCSF as a part-time instructor in non-credit business. As AFT 2121's current Treasurer, due to my extensive management and accounting background I have enhanced our union's financial operations and professionalism. Believing in fiscal openness, I have installed practices that increase transparency, participation, and accountability in AFT 2121's fiscal operations. I am honored to have been the impetus and leader in our emerging Affirmative Action Task Force (AATF). From a union family, I believe in unionism, and providing strong oversight of member's dues. I endorse Wynd Kaufmyn for President and Christina Yanuaria for Vice-President.
